

EIGHT PAGES

Around the Square

Byron Hopper, local jeweler, this week is attempting once again to get a little greenery growing in the tiny plot of land in front of his store—land affectionately called "Hopper's Park" by some. But just after the improvised fence went up, a careless motorist nudged it over with his car bumper. A man of infinite patience, Mr. Hopper rose to the challenge and straightened out the barrier.

What we'd like to know, though, is how about that new drinking fountain? Purchase of a new one was authorized several months ago by the council. Let's either remove the old fountain, or at least clean it up a bit.

Mere curiosity prompts us to ask this: Is the so-called Pioneer Days Committee working quietly behind the scenes and getting ready to spring a surprise? By "surprise," of course, we mean announce plans for some kind of a city-wide celebration. If so, you'd better hurry, boys. We're almost past the festival "season." If not, maybe the committee ought just to concentrate on plans for a 1953 event.

Don't forget to set your clocks ahead Sunday. Nothing in the rules says that you can't do it Saturday night, however. If you overlook this mechanical detail, you more than likely will arrive at church in time for the final hymn.

This column henceforth will be signed by your agent. Numerous queries have been raised as to whom is responsible for "Around the Square." Yes, some of the readers even asked in a spirit of praise. For the others—well, our usual dodge was a mumbled reference about the column being the "voice of the paper." But now we're ready to push aside all fears and admit authorship.

Now, Mr. Ward . . . about those bullet-proof curtains . . . you know I sit near the front window . . .

TWO SCOUTERS ELECTED TO ARROW ORDER

Two Sierra Madre Scouters (adult leaders) were elected this week to the Order of the Arrow, honorary organization for veteran campers and leaders.

Elected to the order at Monday night's Boy Scout district committee meeting, held at the Parkhouse, were Frank Wright and Hans Gutierrez.

R. G. Barrett explained that although membership in the order only requires 15 nights of camping experience, both Mr. Wright and Mr. Gutierrez "probably have at least 300 to their credit."

'Public Schools Week' Starts Here Monday

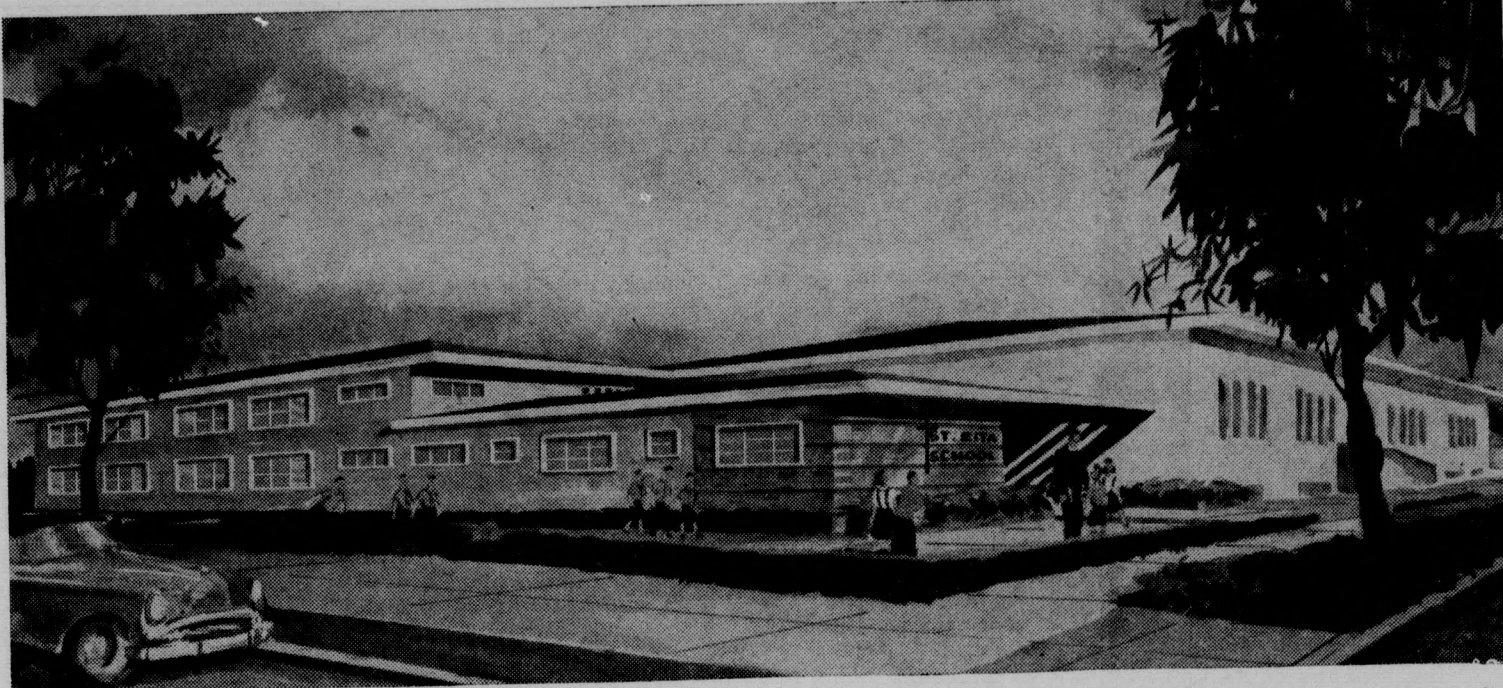

Posters, calling attention to Public Schools Week in Sierra Madre, April 28 through May 2, will be studied by a panel of judges today in preparation to putting them up for display in downtown stores.

Students of the fifth and sixth grades at City School completed work this week on their posters. Winning entries will be announced at the annual "Open House" next Friday evening, May 2, in the school auditorium.

Cash prizes will be awarded for the best posters by Thomas C. Pollgreen, master of Sierra Madre Lodge No. 408, F. and A.M. The Masons are sponsoring Public Schools Week in conjunction with the Sierra Madre P.T.A.

Judge John C. Mead, past master of the lodge, is chairman of the local observance.

Following the program and a short business meeting of

CONSTRUCTION was started Monday on the new building addition at St. Rita's Parochial School. The structure, shown in the artist's sketch above, will include four classrooms, a health room, library, toilets and office. Fr. Thomas O'Malley, of St. Rita's Parish, said the addition will be dedicated when it is completed by September. Architects for the project are the firm of Armet and Davis of Los Angeles. The Theisen Company of Pasadena is contractor.

Passionist Fathers Mark Centennial

One hundred years of the Passionist Fathers in the United States will be celebrated at the Mater Dolorosa Monastery and Retreat House, 500 N. Lima, Monday, April 28.

The centennial event, in honor of the first Passionists coming to this nation in 1852, will be observed in Sierra Madre with the singing of Solemn High Mass at 10:30 a.m.

Presiding will be the Most Rev. J. Francis A. McIntyre, D. D., Archbishop of Los Angeles. The Very Rev. Herman Stier, C.P., rector of the Mater Dolorosa Monastery and Retreat House, said Ministers of the Mass will include:

The Rt. Rev. Msgr. Joseph J. Truxaw, celebrant; the Rev. Fr. Gerald M. O'Keefe, J.C.D., deacon; the Rev. Fr. Basil M. Frison, C.M.F., sub-deacon; the Rev. Fr. Benjamin G. Hawkes, master of ceremonies; the Rev. Henry J. Alker, assistant master of ceremonies.

Chaplains to the Most Rev. Archbishop will include the Rev. Fr. Charles W. O'Carroll and the Rev. Fr. Peter T. Hanrahan. The sermon will be delivered by the Rev. Fr. Thomas O'Malley.

It was just one century ago that the first Passionists, three priests and one lay brother, led by Fr. Anthony Calandri, C.P., came to America at the invitation of Bishop Michael O'Connor of Pittsburgh, Pa.

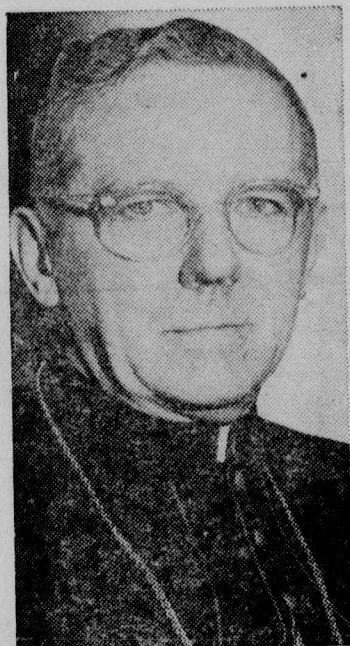

The congregation gradually grew until today there are two Provinces of the order in this nation, containing 19 retreats and 7 mission houses—the two

Athletes Set For Track Meet Today

Today is the day for an expected 80 to 100 fourth, fifth, and sixth grade boys to compete in the annual intramural track meet at City School.

Track and field events will get under way at 1:30 p.m., according to Philip Mitchell, sixth grade teacher in charge of the competition.

Five events are scheduled for the youthful athletes: 60-yard dash, 60-yard obstacle race, 60-yard relay, hop, step and jump, and the baseball throw.

MERCHANTS PURSE 'LIFTED' MONDAY

Mrs. Phyllis H. Schwab, co-owner of Sierra Madre Paint and Wallpaper Store, 35 N. Baldwin, reported to police Monday the theft of her purse containing approximately \$147 in cash.

The merchant told officers that it apparently was "lifted" from a shelf under the counter which, she said, was not visible except from behind the counter. She estimated that it was stolen between 10 a.m. and 1:30 p.m.

Wilson Orchestra To Play at School

A concert by the Woodrow Wilson Junior High School orchestra will be one of the features of Public Schools Week in Sierra Madre.

The youthful musicians from Wilson will present an assembly Friday, May 2, in the City School auditorium.

COUNCIL PRODS BUSINESSMEN ON BUS SHELTER

The Sierra Madre Businessmen's Association was prodded by the City Council this week for "further action" regarding plans for a bus-waiting shelter in the Kersting Court Triangle.

At the same time Mrs. Jessie Ward Russell, local nursery owner, was asked to present her recommendation to the council on the best type of water sprinkling system for the triangle.

Civic Club Hears Shippey This Evening

The Sierra Madre Civic Club will hear and question Lee Shippey, candidate for Congress, in the Parkhouse at 8 o'clock this evening.

"The fact that Mr. Shippey's campaign in the 21st District is attracting national interest, because of his fight on the high cost of political campaigns as a 'basic cause of political corruption,' is making many Sierra Madreans eager to know more about it, as probably never before has a Congressional race in Los Angeles County attracted national attention," said Mrs. Gwenn Dewey, press chairman of the Civic Club.

Hostesses for the event will be Mrs. Robert Renee and Mrs. Linus Ruth. Mrs. Ann Tyler, president, will preside over the meeting.

Husbands of Civic Club members and their friends are invited, Mrs. Dewey stated.

Wistaria Vine Closes Sunday

Sierra Madre's famed Wistaria Vine Gardens will be open to the public for the last time this year on Sunday, April 27.

When the gates close Sunday night, it will mark the end of the 60th anniversary celebration of the world's largest blossoming plant.

The Wistaria Festival has been in progress since March 14—a total 42 days.

Although Queen Juliana of the Netherlands was invited and had expressed a desire to see the vine while in the Southland, her crowded itinerary last weekend prevented her scheduled visit here.

MUSICAL FARE ANNOUNCED FOR COMMUNITY CONCERTS

One hundred nine Sierra Madre memberships were sold last week in the Foothill Community Concert Association, Mrs. Noren Eaton, local chairman, reported.

Mrs. Eaton and other members of the committee termed the one week only membership campaign "a fine success," since only 100 memberships were actually expected from here by association officials.

A list of five concerts was announced by Mrs. Eaton. Artists slated for appearance at the Monrovia-Duarte High School auditorium include "Men of Song," quartet with Charles Kullman as tenor soloist; Ballet Russe de Monte Carlo, with duo pianos; Dorothy Warrensjoel, soprano, currently singing on TV; the First Piano Quartet; and Tossie Spivakovsky, violinist.

Mrs. Eaton said dates and times of the concerts will be announced in the near future.

Firm Ends Phase of Well Work

Workmen from the firm of Roscoe Moss were able to force a 23½-inch swedge into Sierra Madre's crippled water well No. 2 this week as the first step in restoring it to operation.

The swedge went down to the 123-foot level, reopening the well to within 2½ inches of its normal 26-inch diameter at the 118-foot depth. It pushed out the damaged portion that had been pinched down to only 16 inches in diameter.

City officials termed the operation "very satisfactory" and are now awaiting the word of Howard McCurdy, consulting engineer, on what the next step should be in repairing the well.

HEARING SCHEDULED ON ZONING APPEAL

A public hearing has been set for May 13 on the question of rezoning Sycamore Place. The hearing was called by the City Council.

J. C. Semgers is appealing from a recent decision of the Planning Commission, which body ruled against his application to rezone Sycamore Place from R-1 to R-2.

NEW MAYOR APPOINTS HIS CITY COUNCIL COMMITTEES

Mayor Henry F. Korsemeier Tuesday night appointed five councilmanic committees covering the city's main departments. Only major switch was the naming of Councilman William A. Kinney to head the Police and Fire Committee. He succeeds Councilman Noren Eaton, who now heads the Streets and Sanitation Committee. The appointments:

Parks and Recreation: Charles James, chairman; Lawrence Washburn, Korsemeier, committee members.

Police and Fire: Kinney, chairman; James and Washburn, committee members.

Streets and Sanitation: Eaton, chairman; Korsemeier and Kinney.

Water: Washburn, chairman; Kinney and Eaton.

Finance: Korsemeier, chairman; Eaton and James.

Mr. James was reappointed as the council's representative on the Recreation Committee, and Mr. Eaton was reappointed to serve on the Planning Commission.

Pupils 'Try Hand' At Running City

RC Opens Roster For Nursing Class

Another Red Cross home nursing course will begin next month, according to Mrs. Pamela Campion, home nursing chairman of the Sierra Madre ARC chapter.

If you are interested in attending a night class, contact Mrs. Campion, Custer 5-4168, or the Chapter House, Custer 5-6183, and register now. The course will be 14 hours long, with each session lasting two hours.

The last class session will cover all the atomic information and "know-how" that is available, Mrs. Campion pointed out.

New Series Will Start At Bethany

The Rev. Don B. Rood, home again after a vacation, returns to the Bethany Church pulpit for the services of Sunday, April 27. He will be speaking at the 11 a.m. hour on the first in a series of messages on "This I Believe!"

The public is invited to attend this service and hear the opening sermon on "Basic Doctrines of the Christian Faith." Special music is planned by the church choir.

At the 7:30 p.m. hour, the Rev. Mr. Rood will speak on the subject, "Now What?"

Sunday School classes at Bethany Church convene at 9:30 a.m., with groups for all ages. Mr. Rood said a modern, well-equipped, professionally supervised nursery is available during all Sunday services.

"We would like to remind all Sierra Madreans to set their clocks ahead one hour Saturday night," the pastor remarked. "Our services will commence on Daylight Saving Time."

NEW MAYOR APPOINTS HIS CITY COUNCIL COMMITTEES

NEW SET OF OFFICIALS COMES FROM 3 SCHOOLS

It's that time again. Sierra Madre youngsters will begin taking over the reins of municipal government today.

The boys and girls from Sierra Madre's three schools are confident that they can show their senior counterparts "how to do it." Regular adult city officials are equally sure that they will be able to give the school children some worthwhile instruction on how a city operates.

The turnabout operation is all a part of Student Government Week, and many pupils will be assuming the various governmental posts throughout the city.

All levels of local government will be affected within the next two weeks.

Boys and girls will have their chance to be city administrators for awhile, or mayor, or police chief.

Several of the students will start right in this evening by serving for a few minutes as members of the Planning Commission. Other neophyte officials will temporarily become the fire chief, water superintendent, street superintendent, building inspector, city clerk and city councilmen.

The next regular meeting of the City Council, however, is on May 13, so children assigned to these posts must wait for 3 weeks before having their try at city government.

Call ARC For Flood Information

Red Cross officials reminded Sierra Madreans this week that those who have families and friends living in the stricken flood districts of the Mississippi and Missouri valleys may obtain information as to their whereabouts and safety by calling the local ARC headquarters, Custer 5-6183.

Twenty-four hour service on these calls is possible, Mrs. Florence Peterson, executive secretary, said, since arrangements have been made in the devastated areas for registering all who live in the sections affected.

The National Red Cross has estimated its needs for the "unprecedented incidence of disasters throughout the United States" at \$10,000,000.

While thanking Sierra Madreans for making their quota this year, local officials suggested that those who wish to make additional contributions to aid flood and tornado victims may do so at the local headquarters, 41 S. Baldwin avenue.

LEGION AUXILIARY LISTS ESSAY CONTEST WINNERS

Winners were announced this week in the essay contest sponsored recently by the American Legion Auxiliary, in which pupils from Sierra Madre's three schools competed.

Mrs. Leila Embree, Americanism chairman of the local Unit 297, American Legion Auxiliary, said that prizes of \$3, \$2 and \$1 were awarded to first, second and third prize winners in each group, and others received certificates of merit.

Judges in the contest were Miss Elizabeth Steinberger, Dr. Raymond Pease, and Felix Gibian. First prize essays will be submitted to the district judges and from there they will enter the state competition. The winners:

Group I—"How Can I Become a Better American Citizen?": Robert Jack, Carol Draeger, Jean McKesson, all of City School.

Honorable Mention: Jeannine

County Cash Voted for Highland

The Los Angeles County Board of Supervisors adopted a resolution Tuesday approving "Aid-to-Cities" street fund money for Sierra Madre.

On motion of Supervisor Herbert C. Legg, the sum of \$9,168.61 was authorized for the improvement of Highland avenue.

Gas tax monies are paid to the county and then allocated by the board to the cities for authorized street projects.

Mrs. Harris Heads Kenny Drive Here

Mrs. Arthur L. Harris, 734 Fairview, will head the May campaign to raise funds for the Sister Elizabeth Kenny polio hospital in El Monte.

Goal of the Kenny Foundation is \$365,000 to be sought throughout Los Angeles County. The hospital, the only one in the West where complete Kenny treatment for polio is given, currently has the only out-patient clinic now operating. Facilities of the hospital are open to all, regardless of race, color, creed or financial status.

A former patient at the Kenny hospital from Sierra Madre was little Charles Thomas, 321 E. Carter. Part of his care, however, was paid for by the National Foundation for Infantile Paralysis.

Persons wishing to volunteer for the Kenny campaign may contact Mrs. Harris.

Former Guardsmen Arrive in Town

Two of Sierra Madre's returning Guardsmen arrived in Sierra Madre Saturday night: Sgt. Thomas J. Cox, 269 E. Laurel, and Sgt. Miner Harkness, 57 N. Baldwin. Harkness hitch-hiked in from Camp Stoneman.

The other three Heavy Mortar men who docked at Seattle last week were discharged at Fort Ord and were expected to get home to Sierra Madre yesterday.

Plans Go Ahead For Rummage Sale Of Nursery School

Plans are going ahead this week for the annual rummage sale of the Sierra Madre Community Nursery School.

The event will take place Saturday, May 3, not May 29, as announced last week. It will be held at 34 S. Fair Oaks avenue in Pasadena. The "pre-sale" at the Nursery School still is scheduled for Tuesday, April 29.

GUILD PLANS TRADITIONAL MAY DAY BREAKFAST HERE

A Sierra Madre tradition of long standing will be revived next Thursday, May 1, when the St. Catherine's Guild of the Church of the Ascension presents its annual May Day Breakfast.

Origin of the custom dates back to May Day of 1936, when Mrs. Sarah Cooper, a member of the Woman's Guild, first put her famous old pancake recipe into "mass use."

Mrs. Cooper, it is reported, agreed to donate all the materials for the breakfast and mix the pancakes if the other guild members would take care of flowers, table settings and all other details. Breakfast was served from 6 until 10 a.m.

The breakfast was considered such a success that the guild decided to make it an annual event. Soon many business and social organizations in Sierra Madre began to attend the breakfast in planned groups.

The Woman's Guild remained in charge of the affair for 10 years. Getting to their work each May Day at 4 a.m., members managed to serve a bountiful breakfast even through the war years (but no longer at the original 25 cents, one member points out).

In 1946 St. Catherine's Guild, a younger organization in the church, was asked to help prepare the breakfast. A year later the members of St. Catherine's took over full responsibility.

Mrs. Hall Perry, 118 E. Laurel, is in charge of reservations for this year's breakfast, scheduled from 6 to 10 a.m.

Masonic Rites Conducted for Mark Welsher

Mark Davis Welsher, 542 W. Ramona, died Monday morning at the age of 91.

Mr. Welsher, a resident of Sierra Madre since 1910, was one of the pioneer grocers in town.

Just recently he was honored by Sierra Madre Lodge No. 408, F. and A. M., for a half century in Masonry. He was presented a pin in recognition of his 50 years' membership.

Mr. Welsher is survived by two nieces, Helen Seeley of Santa Barbara, and Mrs. August Kramer of Ontario; a nephew, Fehsee Seeley of La Canada, and two sisters-in-law, Mrs. Mattie Spencer and Mrs. Helen Hollinger, both of Sierra Madre.

Masonic rites were conducted yesterday afternoon at Grant Chapel, the Rev. Carl Smith officiating. Private committal followed at Pasadena Mausoleum.

TAMA PIT KIN CAMPFIRE GIRLS FETE MOTHERS

Tama Pit Kin Camp Fire girls entertained their mothers at an annual tea held yesterday at the home of their assistant leader, Mrs. Franklin Franco, 409 N. Mountain Trail.

Mothers and daughters took part in games. Mrs. John Rudbach, leader, and Mrs. George Burns, assistant, also attended the tea. Mrs. Rudbach reported that the display the Tama Pit Kins made for the recent flower show has been on exhibit at the Camp Fire headquarters in Pasadena. The display is now being used by various leaders in the valley area as an example of craft work. Constructed of nuts, seed pods and pine cones, the display is a nature scene of imaginary creatures.

Tom Hendersons Write from Long Island

Mr. and Mrs. Tom Henderson, longtime residents of Sierra Madre, reported to the NEWS last week from Long Island, N. Y., one of the stops on their vacation trip of several months.

They say they had a "nice warm trip fishing" below the border and did not know of Sierra Madre's bad weather in February until a month later.

The Hendersons plan to continue touring the New England states, then journey up to Quebec, Canada. Their forwarding address is "c/o Tom Rowland, Box 54, East Angus, P. Que Canada."

Ginger, their cat who has no tail, and double pads, is "quite a novelty" in Long Island, Mr. Henderson stated, and "everyone feeds our dog, so he is getting fat and spoiled."

Mr. Henderson included a comment on parking meters in his letter. "We meet a lot of tourists traveling across the country, and they all are in favor of parking meters. In any town with meters, you can find a place to park; with no meters... there never is a place to park until you are out of town..."

'MACBETH' OPENS AT PLAYHOUSE

William Shakespeare's famed and moving tragedy, "Macbeth," stirred in the depth of Scotland's deep superstition, opened last night at Pasadena Playhouse.

Appropriately placed on the Bard's birthdate, the production will be the fourth staging of the play in the 35-year history of the Playhouse.

Mervin Williams and Doris Lloyd team in the key roles of "Macbeth," with the staging by Gilmor Brown and Jack Lynn. Accent is given by use of lev-els and scenic pageantry, emphasizing the mystic quality of the tragedy.

FORD WINS AGAIN!

TAKES FIRST PLACE IN CLASS "A"

IN THE 1952

Mobilgas Economy Run

New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year . . . as in the past two years . . . Ford was first in gas economy over all other cars in its price class in the Mobilgas Economy Run. In this toughest test, a stock model Ford Six equipped with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon.

This was a very special triumph for Ford's All-New Mileage Maker high-compression Six. For now, with its new design providing 101-horsepower and free-turning overhead valves, Ford is definitely pound-for-pound the most economical low-priced car to run! Yes . . . Ford's thrift was clearly proved by the 1,415-mile grind from Los Angeles to Sun Valley. And a very important factor contributing to this victory is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas.

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons consumed.

Captain Stratton Describes Trip Through Flooded Areas

Capt. and Mrs. John M. Stratton, while enroute home to Sierra Madre after four years of service in Germany, passed through portions of the flood-devastated Middle West last week.

In a letter to his parents, Mr. and Mrs. W. D. Stratton (Mr. Stratton is associated with the Sierra Madre Hardware Company), Capt. Stratton said "there were two high water threats in our route. The Mississippi was flooding in Southern Minnesota, and we crossed ahead of the crest in Davenport, Iowa."

"I had figured on crossing the Missouri flood behind the crest, but it is such a big flood and has done so much damage that it looks as if there won't be anything left when it passes on," the Army officer stated.

"We took the bull by the horns and headed straight west on our course which went through Council Bluffs and Omaha. The crest of the flood reached the cities today (April 18) and so did we after talking our way through three roadblocks where it was said no one could get through."

"There was little to do when we came through except wait. Some of those workers had gone for days without sleep and sure looked it," Capt. Stratton reported. "Volunteers from hundreds of miles away were there working without pay, without sleep and without even hope in some cases where after days and nights of work, the river smashed through. Council Bluffs seems the hardest hit..."

The captain, Mrs. Stratton, and two children, John, 2½, and Jimmie, 1½, were scheduled to arrive in Sierra Madre Tuesday. The youngsters never had been seen by their grandparents. In Germany, Capt. Stratton served with the Counter Intelligence Corps. After a military leave, he expects to be assigned on the West Coast.

Baker Announces 'Operation Alert' Radio Program

City Administrator R. Merritt Baker directed the attention of Sierra Madreans today to the radio broadcast, "Operation Alert," to be aired at two separate times this week.

The program, presenting on the scene recordings of civilian defense preparedness drills staged simultaneously by San Francisco, Oakland and San Jose, will be broadcast Monday, April 28, 8:15 p.m. over Station KGFI, and on Friday, May 2, 9:30 p.m., over Station KWKW.

The California State Office of Civil Defense sponsors the program, Mr. Baker pointed out.

Vandals Slash Grader Tires

Latest vandalism in Sierra Madre this week was the slashing of tires on several pieces of grading equipment.

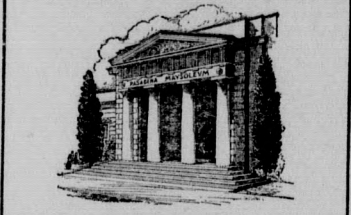

Manuel V. Garcia, contractor, told police the damage occurred Monday night while the equipment was parked east of 305 E. Orange Grove.

Rummage Sale Called Success

The rummage sale sponsored by the Women's Guild of the Trinity Presbyterian Church at the Woman's Clubhouse last Friday and Saturday proved successful in spite of inclement weather, a spokesman said.

Proceeds from the sale are going towards the fund for the new Presbyterian Church, now being constructed at 3840 W. Sierra Madre boulevard.

UC Will Use Parts of Lee Shippey Book

Lee Shippey, Sierra Madre author, has received word from his publishers, Vanguard Press of New York, that the University of California has asked permission to reproduce parts of his book, "It's an Old California Custom," for use by students.

It is believed the sections reproduced will give foreign students and students from Eastern states, of which the university has a great many, better understanding of the background, manners and customs of the West.

Failing Health Said to Be Suicide Cause

Failing health was blamed by police last week for the suicide of Louis Daniels, 45, whose last known address was 397 S. Sierra Madre boulevard, Pasadena.

Officers said Harry Coryell, 248 Grove, a milkman, found Mr. Daniels dying in a car parked in the garage of Raymond J. McDonald, 490 E. Grandview. A garden hose was attached to the exhaust pipe, and the engine was running.

Resuscitation efforts by police and Dr. Nathan Jacobs failed, and Mr. Daniels was pronounced dead on arrival at a Pasadena hospital.

A suicide note addressed to Mr. McDonald, a friend, was found fastened to the dashboard. Police said the note, plus the testimony of Mr. Daniels' physician, indicated that the man had just recently learned he was incurably ill with cancer.

Want broiling without smoke or spatter?

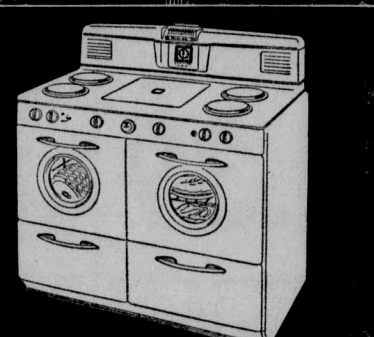

That's an exclusive advantage of gas and the new gas ranges—now at dealers

THERE'S no smoke...no greasy vapor to settle on painted walls or make eyes smart...when you broil meats in a new automatic gas range. The clean blue flame of gas consumes smoke and spatter. Melted fats are drained away below the rack and protected from the direct heat. Heavy insulation and closed broiler door keep the heat out of your kitchen. You can broil with gas and be comfortable on even a warm day.

The live flame of gas really broils, too.

It sears your meat...seals in all juices and goodness...and imparts that wonderful char-type flavor you expect in meats broiled by expert chefs. And you have no clean-up blues afterwards. Gas broilers wash as easily as your favorite pan.

If you would like to know all the exclusive features of gas, see a gas range dealer or your Gas Company. You'll find that new automatic gas ranges not only cook better and look better...they also cost less to buy and operate. Select yours today.

Among the many makes of gas ranges on display during Spring Showing is this beautiful new

The Mater Dolorosa Monastery was dedicated in Sierra Madre on April 28, 1932, and the new Retreat House—"entirely distinct from the Monastery yet enjoying all the advantages of Monastic solitude"—was solemnly blessed on May 14, 1950.

More than 900 weekend retreats have been held there for laymen, and more than 35,000 men have spent those "Fifty
